Comes now Plaintiff Shields and respectfully asks the Court to DISMISS the pending action WITHOUT PREJUDICE for the following reason:

Shields' home was flooded during Hurricane Harvey on August 28th, 2017. Shields has spent the last 8 weeks working on repairing his home and will to do so for the next few months. Consequently, Plaintiff does not have the time to litigate a case at the present time and does not wish to burden the court with requests for extension of time.

None of the Defendants have filed an answer and service at this point is questionable at best.

Consequently, Shields respectfully requests that the court dismiss the pending action without prejudice so that Shields may if so inclined refile the case at some future time.
